

Nom: _____ Nom: _____ Nom: _____

Les familles de mots

Create 3 different word families. Include one word that does not belong (le mot intrus).

--	--	--

Ask a different group to guess the word that does not belong in each word family.

le mot intrus : _____	le mot intrus: _____	le mot intrus: _____
--------------------------	-------------------------	-------------------------

Did the other group guess correctly? Write down your group's answers.

le mot intrus : _____	le mot intrus: _____	le mot intrus: _____
--------------------------	-------------------------	-------------------------
